

Our Mission

Early Years Preschool's Mission

*is to combine a
nurturing environment
and a developmentally
appropriate curriculum.*

*We respect the fact
that children learn through
play and see children as
active participants in their
growth and learning
experiences.*

Early Years Preschool

Designed to meet the emotional, social, intellectual, and physical needs of children between the ages of 6 months and 5 years.

Parent Testimonials

Early Years has provided our son, John, with a happy and loving environment, and we couldn't be more pleased with the quality of care he has received.

- John Patrick's mom

My children have had wonderful learning opportunities in a warm, friendly environment at Early Years Preschool. We are grateful this resource is in our neighborhood.

- John's mom

We've been happy with our experience at Early Years Preschool. The teachers truly care about the students and work hard to make every day a safe, fun learning experience.
